## NONPUBLIC//FDIC INTERNAL ONLY

ARDs - please have case managers check in with banks that have connections with either b4,b8 over the next couple of days (should be few if any). Check in would be to see if the bank has observed and unusual activities (e.g. deposit activity) b4,b8 If other agency supervised, the case manger should plan to touch base as part of routine communications with the other agency contact. (i.e. b4,b8		
b8 is traveling to b8 meeting so his availability will be limited to assist with these calls		
over the next couple of days if needed. Just letting you know.
